

SEPTEMBER 14 & 15, 2015
6PM – 9PM

UNIQUE PRODUCTIONS (UP!)

Actors/Actresses are needed for a PLAY to be produced in December 2015.

AUDITIONS will be held at **Subversive Theater**, in the **Manny Fried Playhouse**, located on the 3rd floor at 255 Great Arrow, Buffalo NY. At the casting, performers will be given lines/scripts to read in the audition.

If acting isn't your thing, that's okay!

We will also be conducting interviews for ushers, marketing, volunteers, ticket sales, promotion, stage management, and direction, lighting, and costume design during the casting call!

Unique Productions (UP!) is a refreshingly bold company of artists that aspires to promote community integration through the arts. We are dedicated to providing a theatrical venue for persons of all levels of ability so that they can express themselves and learn through acting, playwriting, and theater productions.
